

Wearing Pink for Lucy – Iron Workers Local Union No. 3 Members

On February 6, 2012, iron workers from Local #3 working for Century Steel on the Allegheny Ludlum Brackenridge job did the unthinkable....they wore PINK! Why, you ask? These men sported the bright pink shirts to support their General Foreman, Dave Schadel's, girlfriend Lucy. Lucy underwent breast cancer surgery and to show their support, these iron workers proudly wore the pink t-shirts on the job.

Iron Workers Local Union No. 3 wishes Lucy the best of luck and a speedy recovery.
